Portfolio: <https://mayaishere2.github.io/Portfolio/>

SUMMARY

Fourth-year AI engineering student at the National Higher School of Artificial Intelligence (ENSIA), with a Baccalaureate score of 18.29. Skilled in building AI-powered applications for decision-making and data analysis, with hands-on experience in machine learning, data engineering, and front-end development. Fast learner, adaptable, and passionate about integrating AI into gaming and real-world problem-solving.

PROJECTS

Agricultural Land Optimizer (Python, Streamlit)

Built an AI-driven app recommending optimal crops for Algerian wilayas by analysing spatial data, plant suitability, and consumption targets. [Live Demo](<https://aispring23-24projectg.streamlit.app/>)

Predicting Winning Teams in Dota 2 Matches (Python, Streamlit)

Developed a predictive ML model for match outcomes using historical data and deployed via Streamlit. [Live Demo](<https://classificationmlprojectrahmani.streamlit.app/>)

Sleep Analysis Forecasting (Python)

Classified EEG signals into five sleep stages using advanced time-series ML models [Live Demo](<https://ts-project.streamlit.app/>)

SougLink (Flutter)

Mobile platform linking farmers with market sellers to ensure fair pricing and simplify ordering. [App](<https://drive.google.com/drive/folders/1IldFwsYJ90U68aHi-1Xtj98kQ7zMnzaB>)

Convex Town (Game Development)

A murder mystery game created during a hackathon, showcasing AI-driven game elements.

SKILLS

Programming: Python, C++, JavaScript (React), Dart (Flutter), SQL

Data Engineering: Pandas, NumPy, data preprocessing, feature engineering

Web Development: React, Streamlit, HTML, CSS

Tools: Git, Docker (basic), Firebase

Languages: English (Fluent), French (Fluent), Arabic (Native)

EDUCATION

National Higher School of Artificial Intelligence (ENSIA)

4th Year, AI & Data Engineering (2022 – Present)

Baccalauréat (Mathematics Track)

Score: 18.29/20 (2022)

ADDITIONAL INFORMATION

- Interests: AI applications in gaming, data-driven decision systems.
- Hackathons: Gaming and AI-focused competitions.
- Achievements: Baccalauréat with 18.29/20.
